

Lecker Essen

- Thatched House (<http://www.thatchedhouse.com>) - mit einem tollen Garten!
- Harrods (<http://www.harrods.com>): Toll, daß man dort auch Klaviere kaufen kann, viel interessanter aber ist Max Brenners Chocolate Bar !!!
- Alle weiteren Tips auf den folgenden Seiten ...

Shopping

- Es muß nicht immer Virgin Megastore oder Tower Records sein:
Ein netter, kleiner Plattenladen ist z.B. Fopp (<http://www.fopp.co.uk>)
- Seven Dials ist eine "neue" Einkaufszone in der Nähe von Covent Garden.
(So neu entdeckt ist das Areal wohl nicht - siehe Charles Dickens' "London Sketches", da fällt das Urteil aber wenig positiv aus ...)
Dort habe ich einen genialen Laden für Künstlerbedarf entdeckt, der KaBuCo locker in den Schatten stellt, aber leider Namen und Adresse vergessen. Dürfte aber trotzdem zu finden sein.

Kunst & Kultur

- Tate Modern (<http://www.tate.org.uk>)
(aktuell: die Hopper-Retrospektive - Klasse!) - Eintritt kostenfrei, Sonderausstellungen kostenpflichtig
- Design Museum (<http://www.designmuseum.org>): Ganz nett, jedoch keine sechs Pfund Eintritt wert.
Wer am Themseufer (südöstlich der Tower Bridge) lang läuft, sollte sich aber den netten Museumsshop ansehen. Tip: Auf der Straße Shad Thames von der Themse weg laufen, da gibt es nette alte Lagerhäuser zu sehen (die Bilder zeigen den Weg vom Süden zum Designmuseum bzw. zur Themse):

- Science Museum (<http://www.sciencemuseum.org.uk>), dort wird gerade Babbage's Difference Engine No. 2 nachgebaut, ein früher Vorgänger moderner Computer.
